Completing the internal accommodation is a well-appointed four-piece family bathroom, comprising a bath, separate shower, wash hand basin, and W/C.

The property benefits from a gas-fired combination boiler, newly installed in 2024, alongside comprehensive upgrades including new plumbing, heating system, and full rewire completed between 2024–2025, offering buyers peace of mind. Additional features include all blinds and light fittings being included within the sale, and a partially boarded loft providing useful storage space.

Externally, the property offers off-street parking to the front via a block-paved driveway, further enhanced by a 7.4kW fast EV car charger. A shared driveway provides convenient side gate access.
