Bedrooms: 3 | Bathrooms: 2 | Receptions: 1

Situated in a highly sought-after turning in Hornchurch, just a short proximity from excellent local schools and approximately 0.6 miles from Gidea Park's Elizabeth Line Station, this three-bedroom semi-detached house has been thoughtfully arranged.

Positioned to the front of the house, the principal reception room provides a well-proportioned space and enjoys an abundance of natural light from the large bay window.

A second reception room offers excellent versatility and is currently arranged as a playroom.

To the rear, the property opens into a striking open-plan kitchen/dining space, thoughtfully designed with a fitted kitchen, sleek quartz worktops and high-spec integrated appliances, including a dishwasher, full-size fridge, combi oven/microwave, oven and induction hob with integrated extractor fan and a boiling water tap. Engineered oak flooring runs throughout, while an overhead skylight and bi-folding doors, with integrated blinds, flood the space with natural light and provide direct access to the garden. Integrated Bluetooth speakers complete the space.

The ground floor also benefits from a separate, well-appointed utility room, which provides access to an additional boarded loft, and a modern bathroom which adds further convenience to the layout.

Upstairs, the first floor comprises three sizeable bedrooms, including two generous doubles and a comfortable single.

The bedrooms are served by a spacious and beautifully finished four-piece family bathroom, complete with underfloor heating, integrated Bluetooth speakers paired to a fitted television, and an XL bath that is wider and longer than standard.

Externally, the property benefits from off-street parking to the front and side access leading to the rear garden.

To the rear, the garden extends approximately 70 ft. and features a substantial outbuilding, cleverly divided into two fully equipped spaces: a home office and a gym/music room. Both areas benefit from lighting and power; the office further enjoys integrated Bluetooth speakers, electric heating and its own dedicated WiFi.

Additional features include smart heating throughout and a boarded loft providing valuable storage space.

Viewing is strongly recommended to fully appreciate this beautifully finished home that effortlessly combines practical, flexible living space with a desirable location.
