NEW BUILD HOME

Offered for sale with the advantage of no onward chain, this four double bedroom, newly built end-of-terrace home is nestled within a quiet cul-de-sac and offers over 1,300 sq ft of high-specification living accommodation, finished to an exceptional standard throughout. Ideally located just 0.2 miles from the Ofsted Outstanding Towers School, 0.4 miles from Emerson Park Station, and 0.9 miles from Gidea Park Elizabeth Line Station.

Upon entering, a bright and spacious 'Garden View' hallway creates an immediate sense of light and openness, with access to all rooms to the ground floor and the first-floor staircase. The ground floor benefits from underfloor heating throughout, with herringbone flooring extending across the hallway, kitchen/dining/family room, and office, while the separate living room and stairs are fitted with carpet. The property offers three reception rooms, including a cosy living room, a home office (or playroom), and an impressive family / kitchen / dining room overlooking the rear garden.

The kitchen is finished to a high specification, with extensive storage, quartz worktops with ogee profile edging, matching upstands and splashback, and integrated appliances including oven, hob, extractor, dishwasher, and fridge/freezer. A central island incorporates a butler sink, additional storage, an integrated dishwasher, and a breakfast bar overhang. A discreet utility cupboard provides space and plumbing for laundry appliances. Full-width bi-folding doors, complete with integrated blinds within sealed units, open onto the rear garden, creating a seamless indoor-outdoor living space.

Rounding off the footprint is the gorgeous shower room, with underfloor heating, herringbone tiling within a recessed shower enclosure, a quartz vanity unit, and a heated towel rail.

Upstairs, there are four well-proportioned double bedrooms, all with fitted carpet and attractive column radiators. The landing also features fitted carpet and a column radiator. The first floor is served by a modern family bathroom with underfloor heating, a wall-hung vanity unit, and a heated towel rail. A loft hatch with integral ladder provides access to a partially boarded loft for additional storage.

Externally, the property is accessed via a private block-paved road, leading to a permeable driveway with parking for 2-3 vehicles, an EV charger, outside power socket to the side and landscaped borders with cherry-laurel hedging. Side access leads to the rear garden.

The rear garden features a large porcelain patio, tiered artificial lawn, and raised sleeper beds with mature cherry-laurel hedging, offering excellent privacy. An outside tap is also provided.

This high-specification property is finished to an impeccable standard throughout, boasting high-quality internal doors and furniture with 'lamb's tongue' architrave and skirting. It benefits from an efficient air source heat pump, significantly reducing energy bills and carbon emissions by extracting heat from the outside air to warm the home and provide hot water. A 10-year structural warranty provides peace of mind.

The property is also within easy reach of Hylands Park, Harrow Lodge Park, and Harrow Lodge Leisure Centre, with excellent transport links nearby.
